

MANAGEMENT SYSTEM CERTIFICATE

Certificate no.:
C652614

Initial certification date:
02 May 2013

Valid:
12 April 2026 – 11 April 2029

This is to certify that the management system of

REEL SAS

69 rue de la Chaux, 69450, SAINT CYR AU MONT D'OR, France

and the sites as mentioned in the appendix accompanying this certificate

has been found to conform to the Quality Management System standard:

ISO 9001:2015

This certificate is valid for the following scope:

Design, Manufacturing, on-site Installation, Maintenance, Decommissioning and Related Services in the Nuclear, Defence, Aeronautics, Offshore, Marine, Industry markets for:

- handling and lifting systems, automated special machines;
- storage equipment, Fuel handling tools, vessel internals and tooling, nuclear building containment systems, remote handling systems, containers for storage and transportation, filtering equipment, decommissioning equipment, radiation protection and nuclear measurement equipment;
- access equipment, teleplatform units, aircraft assembly lines, jigs and tooling, ski lifts.

Provision of intellectual services : Feasibility and safety studies, calculations.

Maintenance for process and industrial technical units. Design and marketing of onboard aeronautical systems.

Design, wiring, assembly, testing, commissioning at customer sites, and maintenance services, of Drilling Machines. Design, manufacturing monitoring, and supplier inspection of Tools.

Place and date:
Barendrecht, 22 April 2026

For the issuing office:
DNV - Business Assurance
Zwolsseweg 1, 2994 LB Barendrecht,
Netherlands

Eerie Koek
Management Representative

Appendix to Certificate

REEL SAS

Locations included in the certification are as follows:

Site Name	Site Address	Site Scope
REEL SAS	69 rue de la Chaux, 69450, SAINT CYR AU MONT D'OR, France	Design and Related Services in the Nuclear, Defence, Aeronautics, Offshore, Marine, Industry markets for : - Handling and lifting systems, automated special machines. - Storage equipment, Fuel handling tools, vessel internals and tooling, nuclear building containment systems, remote handling systems, containers for storage and transportation, filtering equipment, decommissioning equipment, radiation protection and nuclear measurement equipment. - Access equipment, teleplatform units, aircraft assembly lines, jigs and tooling, ski lifts. Provision of intellectual services : Feasibility and safety studies, calculations.
MC LEVAGE REEL	ZAC du Chanay, 17 Avenue Gaspard Monge, 69720, SAINT BONNET DE MURE, France	Design, Manufacturing, on-site Installation, Maintenance, Decommissioning and Related Services in the Nuclear, Defence, Aeronautics, Offshore, Marine, Industry markets for : - Handling and lifting systems, automated special machines. - Access equipment, teleplatform units, aircraft assembly lines, jigs and tooling, ski lifts. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.
REEL - Usine de Villefranche sur Saône	ZIP Rue des Frères Bonnet, 69400, VILLEFRANCHE SUR SAONE, France	Manufacturing and Related Services in the Nuclear, Defence, Aeronautics, Offshore, Marine, Industry markets for : - Handling and lifting systems, automated special machines. - Storage equipment, Fuel handling tools, nuclear building containment systems, remote handling systems, containers for storage and transportation, filtering equipment, decommissioning equipment, radiation protection and nuclear measurement equipment. - Access equipment, teleplatform units, aircraft assembly lines, jigs and tooling, ski lifts.

Site Name	Site Address	Site Scope
REEL - Usine de la Rochelle	Chaussée de La Ceinture EST, Port Atlantique La Rochelle, 17000, LA ROCHELLE, France	Manufacturing and Related Services in the Nuclear, Defence, Aeronautics, Offshore, Marine, Industry markets for : - Handling and lifting systems, automated special machines. - Storage equipment, nuclear building containment systems, containers for storage and transportation, filtering equipment, decommissioning equipment.
REEL - Agence Ile de France	10 Rue Galilée, ZAC de la Vilette aux Aulnes, 77290, MITRY MORY, France	Design, Maintenance and Related Services in the Aeronautics, Industry markets for : - Handling and lifting systems, automated special machines. - Access equipment, teleplatform units, aircraft assembly lines, jigs and tooling, ski lifts. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.
REEL - Agence Nord-Ouest	ZI des Quatre Vents Nord, 50447, BEAUMONT LA HAGUE, France	Design, on-site Installation, Maintenance, Decommissioning and Related Services in the Nuclear, Defence markets for : - Handling and lifting systems, automated special machines. - Storage equipment, Fuel handling tools, nuclear building containment systems, remote handling systems, filtering equipment, decommissioning equipment, radiation protection and nuclear measurement equipment. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.
REEL - Agence Rhône-Alpes	ZAC du Chanay, 17 Avenue Gaspard Monge, 69720, SAINT BONNET DE MURE, France	On-site Installation, Maintenance and related Services in the Industry markets for : - Handling and lifting systems, automated special machines. Maintenance for process and industrial technical units.
REEL - Agence Sud-Est	ZI de l'Ardoise, 285 Rue Paul Sabatier, 30290, LAUDUN, France	Design, on-site Installation, Maintenance, Decommissioning and Related Services in the Nuclear, Defence markets for : - Handling and lifting systems, automated special machines. - Storage equipment, Fuel handling tools, nuclear building containment systems, remote handling systems, filtering equipment, decommissioning equipment, radiation protection and nuclear measurement equipment. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.

Site Name	Site Address	Site Scope
REEL - Agence Sud-Ouest	Aéroparc Saint Martin, 12 Rue de Caulet, 31300, TOULOUSE, France	Design, Maintenance and Related Services in the Aeronautics, Industry markets for : - Handling and lifting systems, automated special machines. - Access equipment, teleplatform units, aircraft assembly lines, jigs and tooling, ski lifts. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.
REEL - Etablissement de la Rochelle	16 Rue du Sénégal, Port Atlantique La Rochelle, 17000, LA ROCHELLE, France	Design, on-site Installation and Related Services in the Offshore, Marine markets for : - Handling and lifting systems, automated special machines. Provision of intellectual services : Feasibility and safety studies, calculations.
REEL - Site de Montage du Môle d'Escale	Grand Port Maritime de la Rochelle, Site de Montage du Môle d'Escale, 17000, LA ROCHELLE, France	Design, Assembly and Related Services in the Nuclear, Defence, Offshore, Marine markets for : - Handling and lifting systems, automated special machines. - Vessel internals and tooling, filtering equipment. Provision of intellectual services : Feasibility and safety studies, calculations.
NFM Systems- Etablissement de BAGNOLS SUR CEZE	286 Chemin Vieux de Chusclan, ZAC de l'Euze, 30200, BAGNOLS SUR CEZE, France	Design, on-site Installation, Maintenance, Decommissioning and Related Services in the Nuclear, Defence, Offshore, Industry markets for : - Handling and lifting systems, automated special machines. - Storage equipment, nuclear building containment systems, remote handling systems, containers for storage and transportation, decommissioning equipment, radiation protection and nuclear measurement equipment. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.
NFM Systems - Etablissement de CHERBOURG	ZAC de La Belle Jardinière - 9, Rue du Chemin Vert, Equeurdreville-Hainneville, 50120, CHERBOURG-EN-COTENTIN, France	Design, Manufacturing, on-site Installation, Maintenance, Decommissioning and Related Services in the Nuclear, Defence markets for : - Handling and lifting systems, automated special machines. - Storage equipment, Fuel handling tools, nuclear building containment systems, remote handling systems, filtering equipment, decommissioning equipment, radiation protection and nuclear measurement equipment. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.

Site Name	Site Address	Site Scope
NFM Systems – Etablissement de Saint Cyr au Mont d'Or	69 Rue de la Chaux, 69450, SAINT CYR AU MONT D'OR, France	Design and Related Services in the Nuclear, Defence, Industry markets for : - Handling and lifting systems, automated special machines. - Storage equipment, Fuel handling tools, vessel internals and tooling, nuclear building containment systems, remote handling systems, containers for storage and transportation, filtering equipment, decommissioning equipment, radiation protection and nuclear measurement equipment. Provision of intellectual services : Feasibility and safety studies, calculations.
REEL - Agence de Saint-Nazaire	24 bis Rue Jean Baptiste Marcet, 44570, TRIGNAC, France	Design, Maintenance and Related Services in the Aeronautics, Industry markets for : - Handling and lifting systems, automated special machines. - Access equipment, teleplatform units, aircraft assembly lines, jigs and tooling, ski lifts. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.
AEMCO - Codolet	2 Rue Frédéric Mistral, 30200, CODOLET, France	Design, Manufacturing, on-site Installation, Maintenance, Decommissioning and Related Services in the Nuclear, Defence markets for : - Handling and lifting systems, automated special machines. - Storage equipment, Fuel handling tools, nuclear building containment systems, remote handling systems, filtering equipment, decommissioning equipment, radiation protection and nuclear measurement equipment. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.
AEMCO - Cherbourg-en-Cotentin	ZAC de La Belle Jardinière, 9 Rue du Chemin Vert, Equeurdreville-Hainneville, 50120, CHERBOURG-EN-COTENTIN, France	Design, Manufacturing, on-site Installation, Maintenance, Decommissioning and Related Services in the Nuclear, Defence markets for : - Handling and lifting systems, automated special machines. - Storage equipment, Fuel handling tools, nuclear building containment systems, remote handling systems, filtering equipment, decommissioning equipment, radiation protection and nuclear measurement equipment. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.

Site Name	Site Address	Site Scope
AEMCO - Saint-Paul-Lez-Durance	4 Impasse Georges Besse, ZAC du Castellet, 13115, SAINT-PAUL-LEZ-DURANCE, France	Design, Manufacturing, on-site Installation, Maintenance, Decommissioning and Related Services in the Nuclear, Defence markets for : - Handling and lifting systems, automated special machines. - Storage equipment, Fuel handling tools, nuclear building containment systems, remote handling systems, filtering equipment, decommissioning equipment, radiation protection and nuclear measurement equipment. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.
REEL CMF	6 Rue René Panhard, ZI de Ladoux, 63118, CEBAZAT, France	Design, Manufacturing, on-site Installation, Maintenance and Related Services in the Defence, Aeronautics, Industry markets for : - Automated special machines. Provision of intellectual services : Feasibility and safety studies, calculations. Maintenance for process and industrial technical units.
REEL - Salon de Provence	ZA de la Gandonne, 199 Avenue des Olivarello, 13300, SALON DE PROVENCE, France	Design, Manufacturing, Maintenance and Related Services in the Aeronautics markets for : - Handling and lifting systems, automated special machines. Provision of intellectual services : Feasibility and safety studies, calculations. Design and marketing of onboard aeronautical systems.
REEL AEI -SPAIN	Calle Marisma 35, 29006, MALAGA, Spain	Design, wiring, assembly, testing, commissioning at customer sites, and maintenance services, of Drilling Machines. Design, manufacturing monitoring, and supplier inspection of Tools.
REEL - Atelier Déporté de Bel Air	5ter rue du Château de Bel Air, 44473, CARQUEFOU, France	For the activities classified as Important To Nuclear Safety (I.T.N.S): Design, project management, manufacturing installation and on-site work, maintenance and spare parts, dismantling and related services for the Nuclear Industry: handling system, fuel storage and tooling, secured lifting means, vessel internals and tooling, nuclear building containment systems, underwater light, remote handling systems, containers for storage and transportation, filtering equipment, sipping test, inspection.

Site Name	Site Address	Site Scope
REEL - Usine & Etablissement de Nantes	Rue de la Fonderie, 44472, CARQUEFOU, France	For the activities classified as Important To Nuclear Safety (I.T.N.S): Design, project management, manufacturing installation and on-site work, maintenance and spare parts, dismantling and related services for the Nuclear Industry: handling system, fuel storage and tooling, secured lifting means, vessel internals and tooling, nuclear building containment systems, underwater light, remote handling systems, containers for storage and transportation, filtering equipment, sipping test, inspection.
